

Declaration of Conformity according to EN ISO/IEC 17050-1

Issued in accordance with ČSN EN ISO/IEC 17050-1 (Conformity assessment - Supplier's declaration of conformity - Part 1: General requirements) and ČSN EN ISO/IEC 17050-2 (Conformity assessment - Supplier's declaration of conformity - Part 2: Supporting documentation)

Manufacturer: **MANDÍK, a.s.** – manufacturer of air-handling and related fire protection components, industrial heating systems, heating equipment, air handling units, and air-handling devices designed for special applications

Dobříšská 550
267 24 Hostomice
Comp. Reg. No. 26718405, Tax Reg. No. CZ26718405

hereby confirms that the product

Identification of the appliance and equipment:

Variable air volume flow controller for low velocities RPM-LV

underwent the assessment of conformity of its properties with the requirements of technical regulations performed according to the internal procedure of conformity assessment

a n d d e c l a r e s

that the properties of the above stated product meet the requirements stipulated by sections 3(1) and 3(2) of Act No. 102/2001 Coll., as amended. The product is safe if used as intended. Measures have been implemented to ensure conformity of all products placed on the market with the technical documentation and the essential requirements. In case of a change not approved by our organization this Declaration ceases to be valid.

Use within building:

The RPM-LV product is intended to be used as airflow controller in ventilation systems with necessarily variable flow of supply or exhaust air.

The following technical documentation, standards and technical regulations were used for the assessment:

TPM 144/19, dated 4 October 2019
EN 60 721-3-3: 1997 A2
EN 1751: 2014

In Hostomice, on 1 November 2019
